

Durley Avenue

Dental Practice

www.durleyavenuedental.co.uk

Food always getting stuck every time you eat?

Gums receding or bleeding? Teeth wobbly?

4 Durley Avenue, Cowplain, Waterlooville. PO8 8XA | Tel: 023 9226 2973

Kelly Blackett-Mills BSC hon (Portsmouth) GDC No: 151554

If you have diabetes you are at very high risk of losing healthy teeth through gum disease.

You don't have to except this, we at **Durley Dental** will help you.

Your gum health will be assessed by our experienced team using state of the art equipment.

You don't have to be a patient of our practice to book your gum health assessment, just call in or book an appointment.

“Our aim is to make sure you keep your teeth for life”

Note: we already except patients from other practices to treat their periodontal (gum) problems
